

Bereavement Ministry Needs You

The men and women who serve funeral luncheons here at St. Henry are dedicated but they are tired!! We desperately need more volunteers so we can switch from 5-7 hour shifts to a mix of 1, 2 and 3 hour shifts. We are looking for volunteers to receive food and setup, heat and serve food, serve and cleanup. We are also looking for another person or couple willing to be a third set of kitchen coordinators. Our coordinators love this ministry but also love to travel for family and fun. And of course we always need more food volunteers – guys and gals who are willing to make or buy a side dish or dessert. We go through our volunteer lists alphabetically and do our best not to call our volunteers twice in a row. To volunteer please call Cheryl Ross 937-609-2474 or Dottie Thompson 937-266-7642.
