

Blessings-in-a-Bag Time

It's time to begin our Blessings-in-a-Bag program for another year! We will be collecting food for the rest of the school year. We share this ministry with other churches in our community. Children in need take a bag of food home for the weekend when they often don't have enough food. Our church's weekly contribution to the bags is:

Vienna Sausages (5oz), foil packs of tuna, Beanee Weanees (7.5 oz.), Fruit cups (4oz) and Ramen Noodles.

We, the church of St. Henry's, pack on the **Wednesdays in October (6th, 20th and 27th) at 6:30pm at Lifepoint Church in Miamisburg at 215 S. Riverview.**

We are in need of packers and sorters, drivers to deliver bags to schools, and lots of the needed food. Monetary donations are welcomed through our parish website or in the contribution basket in back of church noting "Blessings in a Bag" on memo line of your check.

Donated items can be brought to barrels inside doors at BLS, tubs in main church entry, or to Meals-for-the-Homeless delivery.
